Military Health Care Programs

★ ***ELIGIBILITY FOR EACH PROGRAM DEPENDS UPON BENEFICIARY STATUS AND ELIGIBILITY FOR OTHER HEALTH CARE OPTIONS***

★ **Direct Care** - In the Military Treatment Facility (MTF) only

▣ **Veterans Administration (VA)** - For service-connected disabilities

▣ **CHAMPUS** - Old plan for civilian health care

▣ **Active Duty Care** - Full coverage on or off-base for medically necessary care, as long as care is authorized

More Recent Military Health Plans

- ★ **TRICARE Prime, Extra, and Standard** -
Replaced CHAMPUS and offers additional options for eligible patients under age 65 and some over age 65 not eligible for Medicare
- ▢ **TRICARE Senior Prime** - A test program designed to see how well the military could operate as a Medicare Health Maintenance Organization (HMO) (like Secure Horizons), ended on 31 Dec 01
- ▢ **TRICARE for Life** - New civilian health care plan for Medicare-eligibles with both Parts A and B
- ▢ **TRICARE Plus** - New MTF primary care plan

NDAA

- ▮ National Defense Authorization Act (NDAA) was signed into law October 30, 2000
- ▮ Provides medical benefit coverage to Medicare beneficiaries age 65 and over
- ▮ TRICARE Senior Pharmacy Plan started April 1, 2001
- ▮ TRICARE For Life started October 1, 2001
- ▮ Materials sent to DEERS registered Medicare beneficiaries. If you did not receive, call 800-977-6753 or visit a TRICARE Service Center (TSC.)

TRICARE FOR LIFE

TRICARE For Life

★ *Applies only to civilian care*

- Began 1 Oct 01 for non-TSP enrollees and 1 Jan 02 for current TRICARE Senior Prime
- All eligible military health system (MHS) patients with both Medicare Parts A and B will be automatically eligible for TFL benefits
- No monthly premium or enrollment required (except continued payment of Medicare Part B)
- Reduces (or eliminates) civilian out-of-pocket health care costs - Medicare is primary payer and TRICARE secondary - Each plan will pay for their own covered benefits

Eligibility

- ★ Uniformed service beneficiaries age 65 and over (including retired guard and reservists)
- ▢ Medicare-entitled family members and widows/widowers (dependent parents & parent in-laws excluded)
- ▢ Certain former spouses - if eligible for TRICARE prior to age 65
- ▢ MUST be correctly registered in DEERS
- ▢ MUST enroll in Medicare Part B and continue to pay Part B premiums

Care Overseas

- ★ Medicare does not cover care overseas
- ▢ TRICARE becomes your primary source of health benefits
- ▢ You will be responsible for deductibles and appropriate cost shares
- ▢ You may want to consider supplemental health care options if you travel overseas or live there on a permanent basis

Medicare Part B

★ **To receive TRICARE For Life benefits, you must be enrolled in Medicare Part B**

- Necessary Coverage - Part B pays for doctors, ambulances, equipment, etc.
- ★ If not currently enrolled in Medicare Part B, contact a social security administration (SSA) or call (800) 772-1213
- Open enrollment season is January 1 through March 31. If you enroll, Medicare Part B is effective July 1 of the year you enroll during open season.
- Equitable Relief - Penalty for turning down Part B

Other Health Insurance (OHI) - Should you keep it or not?!

- ★ After 1 Oct 01, TRICARE pays second to Medicare, leaving few remaining costs. Other group health plans or Medicare supplements will pay before TRICARE.
- If you carry an employer group health insurance policy, review decision to drop the policy with your employer.
- Must Consider Your Personal Circumstances: If you drop OHI, you may not be able to get it back.

TRICARE PLUS AT WHMC

TRICARE Plus

Only for care in a military treatment facility (MTF)!

- ★ Administered by each MTF and cannot transfer enrollment to another MTF, must live in the catchment area
- ▢ Based on capability at each specific MTF
- ▢ TRICARE Senior Prime was a test program - ended 31 Dec 01 - current wait list will carry over
- ▢ TRICARE Senior Prime enrollees had first option for enrollment - already seeing providers, continuity of care
- ▢ TRICARE Prime enrollees (under 65) - will age-in at age 65 - must have been enrolled at MTF for past two years

APPLICATIONS

- ★ WHMC TRICARE Senior Prime waiting lists for BAMC and WHMC were carried over to the new TRICARE Plus waiting list - no need to fill out applications until they come to the top of the list
- New applicant waiting list for WHMC TRICARE Plus starts after the TRICARE Senior Prime waiting list names that were carried over
- Applications can be mailed out or can be picked up in Room 1E24 for the wait list- long wait (find alternative care off-base while on wait list)

TRICARE Plus Features

- ★ Open to all ages, all MTF-eligible patients, Medicare Part B not required, but is recommended
- Priority access to MTF after Active Duty and TRICARE Prime enrollees
- TRICARE Prime access standards apply for primary care appointments
 - Urgent care - 24 hours
 - Routine care - 7 days
 - Specialty, Preventive Care - 30 days (if available)
- Freedom of choice of specialty providers outside the MTF

More TRICARE Plus Features

- ★ MTF pharmacy benefit coverage plus TRICARE Senior Pharmacy Program
- No cost for outpatient primary care in the MTF
- Not a comprehensive health plan, designed primarily to offer primary care to patients usually seen on a space-available basis
- Will have TRICARE for Life or other health insurance help pay for civilian care that is a covered benefit that is unavailable at the MTF

TRICARE Plus Limitations

- ★ Not available at all MTF's throughout DoD, based on local availability, and capacity
- No guarantee for access to specialty care in the MTF, but priority is higher than space A care
- No portability between MTF's
- Beneficiaries already enrolled in HMO or similar program are not eligible
- In order to "age-in" at age 65 from TRICARE Prime, patient must have been enrolled to that MTF for the last two years
- Can be disenrolled if beneficiary does not receive primary care through MTF TRICARE Plus program
